

## STUDENT RIGHT TO KNOW FEDERAL DISCLOSURES

Casa Loma College must annually report its completion or graduation rates through the IPEDS (*Integrated Postsecondary Education Data System*) web site. The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. Graduation rates can be measured over different lengths of time. "Normal time" is the typical amount of time it takes full-time students to complete their program. The rate shown below tracks the progress of students who began their studies as full-time, first-time degree- or certificate-seeking students at Casa Loma College to determine if they completed a degree or other award such as a certificate within 150% of "normal time."
