TEXTBOOK INFORMATION: The titles and ISBN of the textbooks for each program are subject to change. Textbooks are subject to change. It is highly recommended that you check with the Registrars Office prior to purchasing any textbook to ensure the information is accurate. Because of the many sources in which students may either purchase and/or rent textbooks, it becomes unrealistic to list retail prices. Casa Loma College can only ensure textbook pricing for those students who purchase their textbooks as part of their program.
